Format:	1or2dayworkshop(writingobjectivesif2-dayworkshop)
Max. no. of pupils:	Up to 95 per day

### Aims

To experience, sing and perform music from World War 2, understanding how important it was to the everyday lives of the people of Britain.

### First day

Using DVD clips and CD recordings, we look at the experiences of the people living through this dramatic period of British history. This is to highlight how much they would have needed the inspirational and cheering effects of music. Children love learning to sing some of the popular songs from the time, and we add actions to make the experience even more enjoyable.

They also complete an art project, designing a poster based on the 'Dig For Victory' campaign, with small prizes provided for the best efforts.

### Second day

We learn another couple of songs, then spend time preparing for the concert at the end of the day. The children are able to introduce the songs themselves, to their parents and the rest of the school, who love to see how much the children have learned over the two days.
